Adriana Heikkila

ACHLA Designs

The elegant Argyle Window Box #B-50, with its gently bowing center, is a European-inspired design for holding flowerpots at the window ledge. Shown here with one 12-in. and two 8-in. flowerpots. Multiple mounting holes provided. Black powder coated. 30-in. long by 14-in. deep by 7.5-in. high.

Anamese Garden & Home

This elegant and unusual pot makes a grand statement with a small footprint. The Bordato Collar Tall Square is one of many exquisite vessels from the Italian Terra Cotta line. A dramatic addition to the home or garden.

Burpee

To help customers unleash their inner gourmet in the garden, Burpee has trialed and selected several vegetables for its Foodie Fresh Collection, including delicious Eggplant Meatball, Tomato Madame Marmande and Squash Cupcake.

Chocolate Cats Distribution Inc.

The simple tool that saves your back. The HEFT is an award-winning, secondary handle that makes long shaft tools more ergonomic, which eliminates bending, reducing low back pain. The HEFT locks on with a simple twist in one second and is doctor endorsed. Over 300,000 sold in Canada.

Danziger “Dan” Flower Farm

Petunia hybrida Classic Blue Ray is an early-flowering variety showcasing large amazingly blue flowers with great longevity. It grows in a pleasing mounded growth habit. Ray is excellent for pots, baskets and mixed containers.

Dümmen Orange

The Calandiva series is an elegant double-flowering option for premium kalanchoe applications. Featuring six new varieties to expand the already impressive color range, Calandiva is an affordable luxury for consumers and growers. Boasts strong branching, large double flowers and uniform flowering. Pictured: Kalanchoe Calandiva Ewbank.

Georgetown Home and Garden

Pan the River Elf is a new spring addition to the Fiddlehead Fairy line. This sweet elf measures 2.75-in. high, though his sail is a full 4.5 in. Full color, sparkly wings and great detail.

Moso Natural

The Moso Bag is the easiest way to maintain a fresh, dry and odor-free environment. Filled with non-toxic, chemical and fragrance-free moso bamboo charcoal allows your family and pets to breathe safely.

Nature's Source Plant Food

Nature's Source Houseplant Plant Food 10-4-3 is the perfect sustainable choice for your customers to grow better-toned plants, get earlier flowering and enjoy darker foliage. It features an easy-to-use, no-mess dosing pump. Contains oilseed extract, a renewable source of plant nutrition.

Pioneer Gardens Inc.

Rudbeckia Little Goldstar is a compact, low-maintenance perennial that provides great color from July through September. This plant works great in patio containers or perennial borders, as well as in community landscapes. Foliage stays green all season long from the bottom up.

Plants Nouveau LLC

The perfect selection for the back of a garden bed. Colocasia Black Sapphire Gecko stands tall above most of the other elephant ears in the series, with amazing, black, satin leaves that seem to change their look, depending on the way the light dances across their foliage. Dark stems support nice, tight clumps and show off the maroon-colored undersides of the leaves.

Pleasant View Gardens Inc.

The abundant, extra-large leaves of Savor Edibles & Fragrants Bruschetta Basil make it a great addition to your herb and veggie offering for 2017. It grows to 16-in. tall and provides a sweet flavor and scent that's perfect fresh or dried in tomato dishes, pasta sauces, vegetables and soups.

Quarto Publishing Group USA

Garden Journal helps gardeners organize their efforts along with info and tips on soil, plants and pests. Two sturdy envelopes are affixed to the back cover to store seed packets, markers, etc. Bound in tough and washable leatherette.

Radius Garden LLC

The Root Slayer is a multi-purpose shovel that can eliminate the need for other tools—such as hatchets, pry bars and saws—when digging around the home. Think of it as a shovel, root hatchet and root saw all-in-one tool.

Sakata Seed America Inc.

Disco Belle is a compact hibiscus, growing 24- to 32-in. tall with saucer-sized flowers up to 8-in. across. A great choice for consumers looking for big color in smaller spaces. It can be grown in areas with a short summer season and are highly useful for large pots or gallon containers. Pictured: Rosy Red.

Timber Bay Home & Garden

Made for longevity and beauty, Glassy Plant Markers are constructed with a 10-in. solid copper stake and 3.5-in. wide by 2-in. tall, ¼-in. thick enameled glass placard. Each Glassy features text and an artist's rendering of a particular vegetable. Customize it with a grease pencil to indicate a specific variety.

Van Belle Nursery Inc.

One glance at the fiery red blooms of Hydrangea Lavalamp Flare and there's no turning back. Flowers stand out among compact paniculatas. Sturdy red stems, 2- to 3-ft. tall and wide. New from Bloomin' Easy, brought to you by Van Belle Nursery. **GP**
