Cultivate'17 Retail Tour

Ellen C. Wells

AmericanHort will host a Retail Tour, happening on Saturday, July 15, as part of Cultivate'17 (July 16-18). The tour stops include some must-see garden centers in the Columbus vicinity, including Oakland Nurseries (New Albany location), Wilson's Garden Center in Newark and Fisher's Gardens in Reynoldsburg.

It's a full-day tour, a valuable "Hey, I love how they solved that problem" learning experience and a great way to network with your peers from around the country.

Maybe you go on the Retail Tour and others of your staff go on the Urban Agriculture Tour, or the Floriculture Tour or take part in the other Saturday events. Find out more about each option at www.cultivate17.org. **GP**
