The Verandah Plant Stand makes a gorgeous presentation for a showpiece plant. The deep basket can be used to hold a flowerpot or vase. Part of the Williamsburg collection, the Verandah takes its inspiration from their historic collection. Wrought iron, graphite powdercoated finish. 13.5-in. diameter by 40.5-in. tall.

Anamese Garden & Home

Exquisite beauty meets function with this new Italian Terra Cotta planter. Vertical lines accent the base of the vessel, complemented by flowing horizontal garland above. Wall Planter Garland is just the right balance of whimsy and grace. The perfect fit for walls and fences.

Ball FloraPlant

This compact new salvia is 25% to 35% less vigorous than Mystic Spires, making it a better choice for mixes. Salvia Mystic is covered in true blue flowers all season and is heat-hardy for late spring/summer programs. Ideal for middle-of-the-garden borders.

Bloem Living LLC

The Ups-A-Daisy is Bloem's revolutionary planter insert. Engineered with carefully placed holes for proper drainage, this eco-friendly, reusable insert helps prevent root rot and uses 50% less soil. With less weight from excess soil, you'll have an easier, cost-effective way to transport your plants.

Concept Plants

Lavandula angustifolia Big Time Blue blooms earlier than *L. angustifolia* with flowers two to three times larger than Hidcote's. Big Time Blue has silvery-green foliage with deep purple-blue flowers that attract pollinators. Reaches 12- to 15-in. high by 15- to 18-in. wide in full sun and is drought tolerant. Hardy to Zones 5 to 9.

Danziger "Dan" Flower Farm

Petunia Amore Purple showcases large, gorgeous purple and white flowers on a mounded habit. Like its sister varieties in the Amore series, Purple blooms early. It has a long flowering period and fits well in pots, baskets and combos. Part of the best-selling Amore series, with large flowers and contrasting stripes.

Emerald Coast Growers LLC

Get connected with Miscanthus sinensis Bandwidth presented by Emerald Coast Growers. Broad, bright gold bands span rich green blades. Bandwidth forms full, compact stands that reach a height of 2 to 3 ft. It's hardy in Zones 5 to 10.
