Abbott-IPCO Inc.

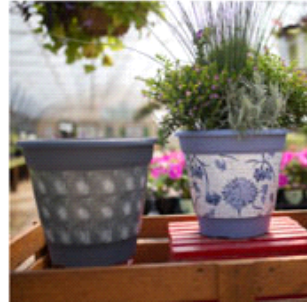

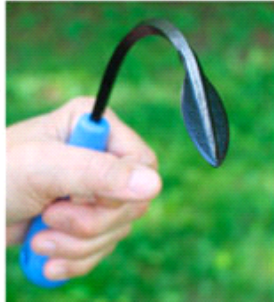

Caladium Day Dreamer is a short to intermediate mounded white lance-leaf (strap) variety with red spots and pink blush. It's suited to all pot sizes, breaks well even without de-eyeing and tolerates full sun in the landscape reaching heights of 12- to 18 in. For more information, email abbott@abbott-ipco.com.

Allsop Home & Garden

This super-duty tarp comes equipped with four reinforced soft grip, interlocking rubber handles, making yard cleanup a cinch. Just load the Clean-Up Canvas with clippings, leaves or debris, interlock the handles and easily haul the canvas without a mess. Measures 79 in. by 73 in. with a 300 lb. capacity.

Arborjet Inc.

Ideal for organic growing and vegan-friendly, Eco-1 Garden Spray provides total garden protection against insects, mites and diseases. Eco-1 Garden Spray is a botanical blend of thyme and peppermint oils with flaxseed oil, creating a unique emulsion that offers up to 15 times more active ingredients for highly effective control. Other included ingredients help the oils mix with water and dissolve an insect's exoskeleton for additional pest fighting power.

A-ROO Company LLC

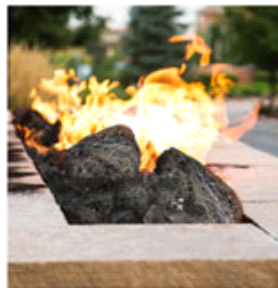

Designed and made in Italy, the Mosaic Flowerbox boasts six neutral tones that fit seamlessly into any setting. At the retail level, the Mosaic Tower holds 24 flowerboxes plus accessories for self-watering and balcony hanging, making it a fantastic POP display.

CobraHead LLC

CobraHead “Mini” Weeder and Cultivator gets weeds in even the tightest spaces. It uses the time-proven construction of the Original CobraHead in a smaller, lighter and narrower design. The CobraHead “Mini” Weeder and Cultivator can perform most of the same gardening tasks as the original and many gardeners will find it even easier to use.

DaVinci Decorated Pots

DaVinci launches a new collection of retail-ready Premium Patio Pots displaying the latest in-mold labeling (IML) technology to the greenhouse industry. These pots have stunning graphics with UV inhibitors for long-lasting vibrancy. Lightweight, durable, cost-effective. Available in 10 in. and 12 in. sizes. Made in USA.

Droll Yankees Inc.

Just Feed Birds Orange 15-in. Songbird Feeder is a sturdy, brightly colored metal bird feeder that comes with a handy pocket identification guide. From finches to mourning doves to chirps and markings, the guide is packed with everything needed to identify and learn all about backyard birds. Proudly made in the USA.

and 6 in. Heat safe up to 2390 degrees.

LiveTrends Design Group LLC

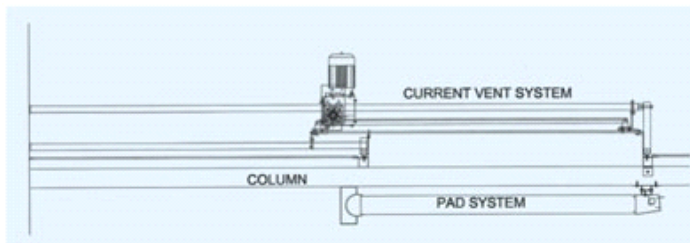

Nostalgia, a tribute to the memory of grandma's house during the holidays, is a classic glass ornament showcasing live tillandsia and colorful moss. The birch branches and berries create a whimsical holiday feeling, making Nostalgia a perfect present.

Monrovia Nursery Inc.

Bountiful Blue Blueberry is a great choice for small gardens. This award-winner's pink-blushed flowers produce a giant crop of large, sweet berries on a compact plant (3- to 4-ft. tall and wide) with the bluest of foliage. Perfect for massing in the landscape or featuring in large tubs. Self-fertile, though planting another variety may yield a more prolific harvest. Requires just 150 to 200 winter chill hours. Semi-evergreen in mild climates.

Nedia Natural

KoirPeat Block is a 100% natural, totally organic and eco-friendly growing medium. It's a soil additive that contains several macro and micro plant nutrients, including potassium and phosphorus. It also has high air porosity, excellent water and nutrition-holding capacity. This helps in achieving increased yields.

Nexus Corporation

Nexus Current Vent was developed out of a need for more control over the air flow in a retail greenhouse; you choose the amount of opening. With a small footprint, it protects the valuable space in your air corridor area.

Oglesby Plants International

New in 2017 from Oglesby breeding, Balboa is a fast-growing spathiphyllum hybrid with beautiful naturally glossy foliage, excellent branching habit and showy, large white flowers. Shows good tolerance to common diseases and **insects. Highly recommended for 8- to 10-in. containers. Zones 10+.**

PanAmerican Seed

Great for hot, dry, full-sun conditions, Portulaca Happy Hour packs and ships easily with less breakage. It has a fuller habit and large, semi-double blooms in vivid colors. Drought tolerant and sure to please with its excellent garden performance. Pictured: Happy Hour Tropical Mixture.

Plant Development Services Inc.

Part of the Southern Living Plant Collection and Sunset Western Garden Collection, Ligustrum sinense Sunshine offers year-round golden foliage that flourishes in full sun. This sterile, non-invasive cultivar will not re-seed into the landscape. In fact, it doesn't bloom at all, which is good news for allergy sufferers. Ideal as a hedge in the landscape.

Proven Winners LLC

Lady Godiva Orange Calendula broadens Proven Winners' collection of cold-tolerant annuals for spring and fall sales. Unique double, golden orange flowers keep right on coming all season. 10- to 16-in. tall by 12- to 18-in. spread. Part sun to sun.

Sakata Seed America

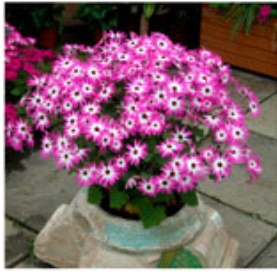

New SunPatiens Compact Purple is gorgeous and just as robust, sun-loving and heat-loving as the entire family. SunPatiens thrive in sun or shade and bloom spring through hard frost. Consumer preference is strong. According to a recent survey, 8 of 10 consumers recommend SunPatiens.

Scroll Trellis

Give gardeners what they want with the trellis that grows. The Stack Trellis is assembled with four single components to form a balloon-shaped trellis. As the plant grows, increasing the trellis height is easy and tool free as another balloon layer is simply secured to the preceding trellis. Growers buy components in bulk, gardeners as an eight-component kit.

Selecta One

Bred for reliable rooting, heat tolerance and large, attractive flower clusters, Phlox Gisele is trialed across North America as a top performer. It makes a great presentation in stores and fill landscapes with tons of color. Pictured: Gisele Pink.
