New Addition to Tradewinds Series

Jennifer Polanz

The newest potted addition to the Keepsake Plants line from Aris Horticulture is Tradewinds Hibiscus Ivory Wind. Its exotic blooms feature an enticing dark pink eye that draws you in for a closer look. Yellow buds open into creamy white, nearly 5-in. blooms with abundant flowering all season long. The compact plant habit works well for containers or in the landscape. Tradewinds hibiscus plants flower all season long for maximum impact. Find out more at www.KeepsakePlants.com. **GP**
