What a Haul!

Ellen C. Wells

Watters Garden Center in Prescott, Arizona, helped to raise more than \$59,000 for the Prescott Frontier Rotary's annual Grapes 4 Grades fundraiser. According to an article that appeared on a local media site, Watters hosted the June 24 Rotary event, "A Garden Party," which featured a dozen different wines and craft beers and was attended by 327 people.

The \$59,000 raised this year is a 13% increase over last year's event. That's amazing! The funds go to help kids in grades K-4 hone their academic studies through the Prescott Frontier Rotary's 21st Century Grant Summer Program.
