Griffin Announces Expo Dates

Jennifer Polanz

Griffin will again host two Griffin Grower & Retailer Expo events this year, each spanning two days.

- The Massachusetts Expo will run August 21-22 at the DCU Center in Worcester, Massachusetts.
- The Pennsylvania Expo will run September 25-26 at the Lancaster County Convention Center in Lancaster, Pennsylvania.

The expos are open to all Griffin customers, including greenhouse and nursery growers, independent garden centers and controlled-environment agriculture growers. Both shows feature suppliers, exclusive product specials and educational opportunities representing everything the company offers: grower supplies, green goods and retail products.
