### A “Western” Legend

Jennifer Polanz

The Western Nursery & Landscape Association (WNLA) honored Spring Meadow Nursery Owner Dale Deppe with the 2019 Western Legend Award at this year's trade show in January. The award recognizes "accomplishments that have contributed to the advancement of the green industry, bringing the realization of significant value to society."

Upon receiving the award, Dale said, "It's an honor to accept this award on behalf of our family of Spring Meadow plant geeks, plant breeders, growers and plant lovers across the country."

Dale has spent his 47-year career propagating plants and serving the nursery industry. Congratulations, Dale! **GP**
