“Living Décor” Dropping in March

Jennifer Polanz

A new book by Maria Colletti called “Living Décor” is set to be released March 19 by Cool Springs Press and is a modern indoor greenery guide of inspiration and ideas. Featuring visuals and step-by-step instructions, Maria guides readers on how to use indoor houseplants in home décor to showcase the plants and the reader’s creativity.

This hardback book highlights the current trend of decorating living spaces with houseplants, running 176 pages and featuring 200 full-color photos. Find out more at www.quartoknows.com. **GP**
