## Product Profiles

*Adriana Heikkila*

### **Ames True Temper**

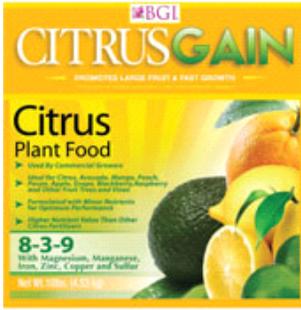

The Ames Total Control Garden Cart features a unique grip design making it easier to maneuver and dump materials. Its 18-in. bicycle-style wheels make rolling over rough, uneven ground easy. Plus, its reinforced 5-cu. ft. corrosion-proof poly tray is made for all-weather performance.

### **Aquascapes Unlimited Inc.**

Hydrocotyle Ranunculoides Crystal Ball is the newest ornamental introduction of native origin from Aquascapes Unlimited. Crystal Ball works best as a biological filter in a watercourse to remove suspended particulate matter. It's shade tolerant, so excellent for lighting up a dark corner of the water garden or as an accent plant.

### **Bloem Living LLC**

Bloem's colorful and creative line of Made-in-America Modica series planters is enhanced further by the new stylish display. This display holds 144 pieces, including the 6-, 8-, 10- and 12-in. Modica planter and is available as a complete set with planters or as a stand-alone unit.

### **Bougainvillea GrowersInternational LLC**

Developed by commercial growers, CitrusGain follows in the path of its sibling species-specific fertilizers produced by BGI. Offering high nutrient values for optimal health and quality for citrus, this fertilizer is perfect for both landscape professionals and the weekend gardener.

### **Darwin Perennials**

Gardeners love the bright, rich flowers of Sombbrero Echinacea. It blooms on sturdy, compact stems with proven hardiness (Zones 4 to 9) for years of enjoyment in the garden. Sombbrero is very floriferous and comes in spicy, vibrant colors.

### **Dinnerwear Jewelry**

Wear a piece of the past. Timeless designs hand carved from recycled vintage china. Available as brooches, lariat sliding necklaces, pendants and earrings. Extraordinary floral art for a special occasion or gift.

### **Emerald Coast Growers LLC**

An exclusive introduction from Emerald Coast Growers, *Stokesia laevis* Divinity features large flowers that open with a hint of yellow in the center, then mature to pure white. Produces mounds of green, strap-like leaves. Sun to part shade, 12 to 14 in. tall. Hardy to Zones 5 to 9.

### **Encore Azalea**

One of the four new Encore Azalea varieties available this spring, Autumn Sunburst is a bright highlight in the garden, growing compactly and blooming profusely in spring, summer and fall. Its unique blooms are coral pink with white ruffled edges and stand out against the compact dark green foliage.

### **Fancy Fire Pit LLC**

Fancy Fire Pit makes beautiful and unusual fire pits from recycled carbon steel. Blaze is the most dramatic design with flames flickering around the edge of the fire pit. Blaze will weather to a dark rusty brown patina.

Available in 24 in. and 37 in. diameter size.

### **Glorious Outdoors LLC**

The Spear Head Spade is designed to handle the most difficult digging situations while reducing efforts by up to 80%. Reinforced fiberglass handle construction and blades made of high-carbon manganese steel that is 33% thicker and 25% harder than traditional shovels. Lighter and less tiring to use than most shovels.

### **HGTV HOME Plant Collection**

The HGTV HOME Plant Collection introduces an exclusive line of Pop-N-Polish Petunias into the Expressions Annuals Collection for 2013. An exclusive, Sweetunia Electric Violet will be sold individually in quarts, gallons, 14-in. hanging baskets and premium containers. It is semi-mounding with compact-to-medium vigor.

### **Hort Americas LLC**

VegiBee Garden Pollinators are handheld electric pollinators that create sonic vibrations to release pollen from the flower. In seconds, enough pollen is collected to pollinate four to five flowers on the same plant to increase yield. Ideal for use on tomatoes, peppers, eggplant, peas and beans.

### **Jeremie Corporation**

Made with incredible detail, Jeremie's handcrafted miniatures add whimsy and charm to any mini garden or container. The Mini Bistro Set featured here stands approximately 3 in. high and is available in antiqued, green or white. Use alone or with tiny tools and pots for the perfect wee setting.

### **Joster International Inc.**

Decorate centerpieces in minutes with Fleur Daily Cupcake Vases. At 4-in. tall by 4-in. wide, these cupcake vases make a big impact. An ideal gift or re-usable floral accessory for special events. They're non-breakable and latex free.

### MadGrip

MadGrip ProPalm Knuckler uses a grip injection technology designed for maximum hold on tools, seamless construction comfort and durability. Seamless cushioning prevents blistering and hand fatigue, while critical abrasion and impact protection was designed in mind for the knuckle area.

### Monrovia

Feelin' Sunny Deodar Cedar is an exclusive new introduction with bright, golden-yellow foliage. This dwarf spreading evergreen has an interesting irregular growth habit, making a wonderful specimen for rock gardens, containers and smaller spaces. Stunning when contrasted against darker green conifers and deciduous trees.

### Oglesby Plants International

Oglesby debuts three distinct *Spathoglottis x hybridum*: Cabaret, Groovy Grape (pictured) and Snow Angel. These garden orchids provide year-round color in warm climate landscapes, as well as an interesting seasonal flowering patio plant for cooler climates. Groovy Grape features clusters of dark purple flowers 1.5 in. across with a contrasting lip.

### PanAmerican Seed

Cool Wave Pansies make incredible hanging baskets and flower beds in early spring. Promote cool-season gardening and extend your selling season. Request free Cool Wave signs and bench cards from PanAmerican Seed. Find helpful garden design tips at the new [www.wave-rave.com](http://www.wave-rave.com).

### **Southern Living Plant Collection**

Few plants offer the texture that Soft Caress Mahonia provides in the shade garden. In early winter, bright yellow flowers stand atop the slender, bamboo-like foliage like fingers of light. Perfect for an Asian garden or as a specimen.

### **Stonecasters LLC**

The elegance of traditional styling is beautifully interpreted in this latest tiered design by Henri Studio. The cast stone Three-Tier Montreux Fountain in Pool features Henri's original petal motif and crisp water flow in an elegant centerpiece design.

### **Sun Gro Horticulture**

Increase customer impulse sales of indoor soils with this free Black Gold four shelf, 48-in. steel rack moveable display. Field tested and successfully proven, this display is ideal for merchandising Black Gold indoor soils with live goods and/or by the cash register.

### **Suntory Flowers Ltd.**

Suntory's Crackling Fire Begonias offer the best color range and uniformity in boliviensis genetics. Plants present well as 4-in. annuals and in larger pots and baskets. Sturdy stems resist breakage. Colors include Red (pictured), Orange, Pink, Yellow, Creamy Yellow and White.

### **Terra Nova Nurseries Inc.**

Echinacea Vanilla Cupcake features double, white anemone-type flowers on an upright compact habit. This echinacea has great branching and produces multiple stems of blooms. Ideal for borders and mixed beds, its strong stems don't require staking. Blooms July to October and performs well in Zones 4 to 10. 16-in. wide, 19-in. tall and 22-in. flower height.

### **The Conard-Pyle Co.**

Junior Walker is a compact version of its parent, Nepeta Walker's Low. At 1/3 the size, it blooms throughout the growing season. Spikes of deep purple/blue blooms cover the plant in spring. Maintains an attractive compact, mounding habit with aromatic grey-green foliage. **GP**
