Sweet as “Sugar”

Jennifer Polanz

Terra Nova Nurseries recently provided a sneak peek of the new Leucanthemum Sugar Bowl, featuring multi-layered pure white flowers. This Zone 5 to 9 perennial stays low to the ground with tight, heavy branching and has an extended bloom time with flowers opening on top of previous blooms.

Sugar Bowl is deer-resistant and blooms May through August, reaching a height of only 5 in. and width of 14 in. Email

sales@terravanurseries.com for more details. **GP**
