All Hail the King

We'll be running container combo ideas from partner members of National Garden Bureau. You have to be a member to have your combos listed on the NGB website and featured here. (If you're not a member, you should be! Visit ngb.org/become-a-member to sign up!)

As spring starts to heat up in different parts of the country and we're getting ready to rock 'n roll with sales, I thought this mixed combo was fitting: King of Rock N Roll from Danziger. Part of the Durabella combination program, it's a bold combo that "features a riot of red and white colors and patterns," and is great for hanging baskets or containers. It includes:

- Amore King of Hearts Petunia
- Cascadias Chili Red Petunia
- Scopia Gulliver White Improved Bacopa

This combo works in containers anywhere from 10 in. up to 16 in. **GP**
