Beach Vibes

Jennifer Polanz

We'll be running container combo ideas from partner members of National Garden Bureau. You have to be a member to have your combos listed on the NGB website and featured here. (If you're not a member, you should be! Visit ngb.org/become-a-member to sign up!)

These colors pop in Sandy Beach Mix from Green Fuse Botanicals, Inc. And, as a bonus, pollinators will love this mix, which is great for multiple seasons, and is best in baskets and containers size 10 in. to 14 in. Components are:

- **Good & Plenty Peach Petunia**
- **Cruze Control Violet Calibrachoa**
- **Doubloon Bidens**
