## Pets on the Payroll

*Jennifer Polanz*

Meet Roger, the new quality control expert at Bruce Jensen Nurseries in Apopka, Florida.

"Roger arrived a few months ago and instantly made himself the boss of the office! In no time, he meowed his way up the corporate ladder," wrote in Sandy Hulett. "Now, he's not just in charge of quality control—he's also our head of security and a top-notch pest control expert. He's got paws in every department and always brings a little extra purr-sonality to the team!"

Looks like he's also the shipping and logistics expert, testing the boxes!
