A Tropical Start to the New year

Jennifer Polanz

Spice up January with this combo idea from Costa Farms called Tropical Flair. Perfect for a tabletop or sunny window, this requires bright light and average to above-average relative humidity and constant vigilance on the watering. Includes:

- Red-flowering anthurium
- *Dracaena marginata* bicolor
- *Epipremnum aureum* Marble Queen

Great for a 10-in. or 12-in. container. **GP**
