Pets on the Payroll

Jennifer Polanz

This month's hardworking duo are Annie and Shadow from Green Designs, LLC in Roanoke, Virginia, a full-service florist and plant shop.

"Annie and Shadow are the best greeters and they are always willing to give love," Penny from Green Designs wrote in. "[They are] the hardest-working girls here at Green Designs, LLC."

I'd like to take a moment here to thank everyone who has sent in your pets so far—this has been a very popular feature and we have them scheduled out for several months. So if you haven't seen yours yet, they are on tap for later this year! We love hearing about and seeing your garden center pets, so keep on sending 'em to me at jpolanz@ballpublishing.com. **GP**
