Buster

Meet Buster, rescue dog, greeter, customer service specialist. Mel Dufour, a co-owner of 101 Market in Otsego, Minnesota, sent Buster in earlier this year. "My rescue dog, Buster has been coming to work with me and absolutely loves greeting all our customers. He is living his best life!

"He has figured out how to open the doors when he sees customers coming up the sidewalk and loves following our customers to get attention. He has a special vest that has his name and let's customers know they can pet him!"

Love the vest and this adorable doggo! **GP**
