### Dramm

Dramm's new Protective Bumper adds durability and impact protection to all Retail 400PL Water Breaker Nozzle Rain Wands. Trusted by greenhouse professionals, the reinforced bumper helps absorb everyday drops and drags, extending product life and bringing proven greenhouse innovation to home gardeners. ### DeWitt Company

Take the stress out of planting new trees with the Dew Right 15-gal. tree watering bag, designed to provide a drip irrigation system directly to tree roots over an extended period of time. Eliminates severe water stress after transplanting while preventing water run-off and evaporation. Also great for soaking before digging and providing continuous water during summer droughts. ### Luster Leaf Products

The Decorative Metal Rain Gauge from Luster Leaf Products is a great addition to containers or garden beds, and features an adjustable height metal stake and gauge that measures in inches and millimeters. Comes with six gauges per case. [lusterleaf.com](http://lusterleaf.com)

### Proven Winners

AquaPot Inserts from Proven Winners come in Large, Classic and Mini sizes to fit outdoor containers, and have a reservoir to reduce watering needs by up to 75% compared to drip irrigation. Overflow channels eliminate the risk of overwatering. Customers can water as little as once a week, depending on conditions. [aquapots.com](http://aquapots.com) GP
