### Foliage First

Jennifer Polanz

Christina Salwitz—who's a valued *Green Profit* contributor, as well as a garden coach and Garden Center Group service provider—teamed up with fellow landscape designer and garden writer Karen Chapman to pen “Gardening With Foliage First: 127 Dazzling Combinations that Pair the Beauty of Leaves with Flowers, Bark, Berries, and More.”

The paperback book from Timber Press debuted in January and retails for \$19.95. It can be found at [www.timberpress.com](http://www.timberpress.com). **GP**
