Pets on the Payroll

Jennifer Polanz

Our next fur-ployee comes from Golda Slavinski at Marcum's Nursery in Norman, Oklahoma.

"Fred joined our staff in the spring of 2021. He mostly came for a free meal, but soon learned he enjoyed the company of our staff and customers," Golda writes. "Fred now lives a life of luxury. He is definitely the boss, sleeps in cozy chairs and never misses a meal. We LOVE our Freddie Boy." **GP**
