## Pets on the Payroll

*Jennifer Polanz*

This month meet Lily from Urbans Greenhouse in Rudolph, Wisconsin, submitted by owner Diane Urbans.

“We rescued our dog Lily from the Humane Society in 2015. She was 1 year old and our wild child. After months—and I mean months—of training she has settled into her new surroundings and has become the best dog ever,” Diane writes. “She greets people, she’s a hunter keeping mice and moles under control, a huge protector and loves rides in the car. Her favorite spot to sit is on our counters in our shop area where it is easier for people to pet her. She is a Love Bug.”

Thanks, Diane! **GP**
